

LIMITED WARRANTY

The mechanical components of your Focus Archery products are guaranteed against defects in materials and workmanship not caused by normal wear, misuse, or improper maintenance as determined by Focus Archery. This warranty only covers Focus Archery products for the original owner.

Warranty on discontinued items extends 1 year from the purchase date, and proof of purchase must be provided prior to sending your stabilizer back to Focus Archery. If repair is not possible or parts are no longer available, Focus Archery reserves the right to substitute the product with one of similar style, function, or cost.

If you believe you have purchased or received a defective product, please contact the dealer where you have bought the product and issue a warranty claim through this dealer.

All Focus Archery warranty claims require a photo showing the entire product; claims submitted without photos will be rejected and you will be asked to resubmit a claim and include a photo.

Focus Archery reserves the right to determine whether an item is covered by the manufacturer's warranty upon receiving the product back for inspection. If a product is determined to be defective, it will be repaired; if repair is not possible, the product will be exchanged or replaced with the same product. If the same product is no longer available, a product of similar style/function/cost will be sent at the discretion of Focus Archery.

Focus Archery or its partners will not be liable for any injuries or damages to any person, property, or equipment that is caused by improper use, modifications or alterations, and/or lack of maintenance of this product. In the event of breakage due to defective parts, Focus Archery will not be liable for any cost beyond the original retail price of the product.

This warranty is void if the product has been disassembled, modified/altered, abused, or subjected to abnormal conditions and uses as evidenced by dents, bent parts, scratches, rust, or parts not original to the product.

PRIOR TO USE, PLEASE READ AND FOLLOW ALL SAFETY INFORMATION AND INSTRUCTIONS INCLUDED WITH YOUR PRODUCT. FAILURE TO DO SO MAY VOID THIS WARRANTY.
